## Lagos Yacht Club Photograph Library

Over the years we've gathered lots of excellent photographs of the LYC and of our sailing events. Unfortunately some of this have been lost as people come and go. We are trying to put everything we can back together in a Photograph Library.

Hopefully we can get as many of the original files as possible rather than downloads from facebook/instagram which have a much lower resolution in general.

So if you have any photographs of the club or of sailing in Lagos, please send them to us.

Marcos Pourteau will be gathering the photos, you can contact him at [mpourteau2@yahoo.com](mailto:mpourteau2@yahoo.com)

If you have online albums set up already you can send the links (make sure we can access them)

If you have facebook albums you can request an album backup from facebook that will send you a link for easy download which you can also forward to us

If you have them on pen drives, external drives, cds, dvds, etc. you can bring them to the club on Saturday and drop them with him. All media will be promptly returned, please make sure its easily identifiable.

Videos also welcomed.

Any other suggestions on where we can find photos will be welcomed.

Thanks in advance for your help.
